

TEAM RACE

Want to have a little more fun? Want to get some bragging rights? Want to have a little more of a challenge? What to run as a family team?

Enter the Red Racer Team Race and take on other teams to see who has the faster team over 5K or 10K. The races run concurrently with the regular 5k and 10k with individual results counting to those results and team results being calculated separately.

1. Get some of your friends or family together (team minimum is 4 runners) to run/walk.
2. Choose a unique team name
3. Choose whether to run as a 5k team or 10k team
4. Have one of your team enter online first [HERE](#) as the team captain and register your team name
5. Have them invite the others to join. ([How to be a team captain](#))
6. Pick out a team uniform or colours or costume.
7. Arrange to meet on race day and warm-up as a team
8. Celebrate after the race at the post run party with a meal, a drink and listen to the band.
9. Claim your bragging rights and prize.

AWARDS

Each member of the winning “all male”, “all female”, and “mixed” teams in each of the 5K and 10K receives a \$25 brewery gift card, a t-shirt and hat courtesy of Red Racer. Mixed teams consist of at least one runner of each gender.

Teams must comprise a minimum of 4 runners and will receive the following benefits:

1. Preferential team package pick-up.
2. Full meal following the event
3. Music/entertainment
4. Awards for Fastest Male, Female and Mixed teams in both the 5k and 10k based on added times of top 4 runners from each team. Awards and team results will be published on the race website following the event.

You can also enter **Offline:**

If you are a company team, some employers cover the cost of entry and do not wish to reimburse each staff member individually. If this is the case simply contact Graeme at longestday@thunderbirdstrack.org and you will be sent a link to input the data for your team members. Once your roster is complete your company will be billed for the full team. Your company can choose to make a company donation to the JDRF at this time if they wish, or, team members can choose to donate individually, or the company can choose to make a donation on behalf of each individual on the team.
